ORDINANCE NO. 22-412

AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF WOODWARD, IOWA, 2006, BY ADDING SECTION 69.06(19) PARKING PROHIBITED

BE IT ENACTED by the City Council of the City of Woodward, Iowa:

SECTION 1. ADD NEW SECTION. The Code of Ordinances of the City of Woodward, Iowa, 2006, is amended by adding Section 69.06(19) Parking Prohibited as follows:

69.06 PARKING PROHIBITED. No one shall stop, stand or park a vehicle except when necessary to avoid conflict with other traffic or in compliance with the directions of a peace officer or traffic control device, in any of the following places:

19. Parking Prohibited.

(a) No vehicle, car or truck over the weight of 8000 pounds shall be parked on any city street. This shall also include the city right of way from the street and up to and including the sidewalk. Any vehicle allowed under this provision must properly display a legal current license plate or temporary plate issued by a licensed dealer. Any vehicle, including newly purchased vehicles, which have no legal license plates displayed, may not park on the street and shall be in violation of this ordinance. All vehicles parked on city streets and/or rights of way must be able to move under their own power and shall not set unremoved for a period of more than five consecutive days. This weight provision shall not apply to the following:

- (1) Delivery vehicles doing normal deliveries and which are being moved within thirty minutes.
- (2) Official yellow school busses being operated by an official school.
- (3) Construction equipment and service vehicles which are being actively used for repairs and work on adjoining properties. Such vehicles and equipment shall have proper safety barricades or orange traffic cones around the area to warn traffic and pedestrians.

(b) This provision shall prohibit the parking, setting, or placing any of the following on any city street or public right of way, regardless of weight; trailers of any type designed to be pulled and which are not attached to a licensed vehicle towing it; motor homes; boats; campers; buses; tractors; vehicle parts; or any item deemed as junk or a junk vehicle under City Ordinance Chapter 51 Junk and Junk Vehicles. Any of the above-prohibited items in this section which have a valid license plate may be parked on any street or right of way unattached to a licensed vehicle for a period not

exceeding twenty-four hours and which are being actively attended to by the owner, when being loaded, unloaded, stocked or filled to be used for the purpose for which it was intended.

(c) It is the intent of this provision that the above listed items shall be placed in an appropriate private off-street parking or storage area when not in use. The city snow ordinance shall supersede any right to park on the street or right of way as described or allowed in this provision.

(d) Penalties for violation of this code section shall be as follows:

- (1) A warning ticket given to the owner if it belongs to the adjoining property owner, or if not, placed on the offending property, with notice of twenty-four hours to remove it.
- (2) If not removed within twenty-four hours, a violation with a fine of \$50.00 shall be given to the owner or placed on the offending property as in step number one, with an additional twenty-four hours to cure the offense.
- (3) If not removed after step number two, the City may at any time and in its sole discretion, have the item towed or removed at the owner's expense, which shall include, but not be limited to: towing, storage, and disposal fees, or the City may issue additional citations of \$100.00 for each twenty-four-hour period of non-compliance. This section does not limit the City's option to use the abatement procedure or any other remedies needed to remove the offending property.

SECTION 2: REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION 3: SEVERABILITY CLAUSE. If any section, provision or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

SECTION 4: WHEN EFFECTIVE. This ordinance shall be in effect from and after its final passage, approval and publication as provided by law.
